

Grow Utah Ventures & Zions Bank

\$35,000 Contest

For New Digital Media Innovations!

details:

The Concept to Company competitions are on going innovation contests held in various regions across the state of Utah. This contest focuses on digital media innovations. It is open to all Utah-based inventors or small businesses with a new digital media product or service idea. (See website for details).

The winning entry will receive up to \$35,000 comprised of cash and services. Additionally, two runner-up winners will receive up to \$17,000 each comprised of cash and services. A panel of industry leaders and executives will judge the entries.

general rules: (see website for official rules)

- Innovations must support and enhance the creation and/or distribution of the following digital media forms: film/animation, audio simulation, and video games; or be a software application or game for mobile devices. Songs, lyrics, movies, scripts, screenplays etc, will not be permitted.
- Open to individual inventors or small businesses with less than \$5 million annual revenues for a production/service they have not yet taken to market (this may include newer versions of existing products/services that are fundamentally different than previous versions).
- Applicants must reside or be based in Utah
